

Town Of Mt. Pleasant
Application Check list for
Generators

- Building permit application with required fees
- 3 copies of survey of property: showing location of generator / propane tanks
- Zoning Data table showing the proper set backs for that Residential Area
- 3 copies of the manufacture's specifications of the generator
*** proper placing of exhaust of generator
- Indicate Source of fuel to be used: propane*, natural gas**, or diesel fuel
- Insurance Certificates listing the Town Of Mt. Pleasant as the Certificate Holder
(for both Worker's Compensation and General Liability)
- Licensed Electrician -- to be filed with an approved Electrical Inspection Agency
approved by Building Department
- Plumbing Permit -- to be filled out by Licensed Plumber*, **

*If the source is propane and is not existing, then applicant will need to file a
Amendment to the permit to include a Propane Tank and supply a copy of Survey
showing the location of the Propane Tank.

If the Propane Tank exists then a Plumbing
Permit will be required

** Plumbing Permit is required
